

## BACKGROUND

Antser delivers end-to-end services to the adults' and children's social care sector, in partnership with local authority and independent providers. Our solutions range from transformation and technology to policies & procedures, assessments and training, all with one aim in mind – **to deliver better outcomes.**

100%

**WORKING DIRECTLY WITH 100% OF LOCAL AUTHORITIES ACROSS CHILDREN'S AND ADULTS' SERVICES**

500

**OVER 500 EXPERTS BASED NATIONWIDE; WE CAN OFFER A LOCAL SERVICE FOR A VARIETY OF ASSESSMENTS WITHIN LEGAL AID RATES.**

## CONNECTING LOCAL AUTHORITIES WITH THOUSANDS OF SERVICE PROVIDERS

### AN ONLINE PORTAL FOR LOCAL AUTHORITIES

#### WHAT IS CAREMATCH PORTAL?

CareMatch Portal is an online matching portal with a variety of frameworks that enables local authorities to efficiently and quickly match an individual's requirements with a care package and service provider within their database.

Having a dual functionality – for both local authority brokers as well as third-party service providers, the CareMatch Portal online portal brings essential time and costs savings.

#### WHY ANTSER?

- Antser products and services are used in **100%** of local authorities in England
- We work in partnership with **200** Independent Providers across the UK
- We have over 500 experts based nationwide, offering a local service for a variety of assessments within legal aid rates.
- Our technology solutions are used across the health and social care sectors both in the UK as well as internationally
- Our Subject Matter Experts and Lead Consultants have decades of experience within Adults' and Children's Social Care

#### WHY CAREMATCH PORTAL?

Version-controlled database of all local authority service providers

Direct integrations with Experian and credit reference agencies

Frameworks that can be tailored to match all local authority requirements

Full visibility of CQC and local authority service providers' rankings

Automated email requests, communications and alerts

#### LOOKING FOR A BESPOKE SOLUTION?

We employ some of the UK's leading design and development talent to deliver intuitive, solution-focused systems and applications.

Our technology – ranging from CRM systems to mobile engagement applications – is used across the health and social care sector both in the UK and internationally.

To explore what we can do for your organisation, simply contact us and arrange a call with our team of experts today!

#### OFFERING YOU SUPPORT, WHEN YOU NEED IT MOST

##### EASY SETUP PROCESS

- With CareMatch Portal, our teams will import your Local Authority's list of providers to ensure all data is onboarded to the system with referrals and agreements in place.
- To put it simply, we will reduce the manual tasks that your teams would otherwise need to perform day-to-day by creating an automated system that is bespoke to your Local Authority and enables you to contact thousands of providers and assess their suitability in seconds.

##### BENEFITS

- Aids in the evaluation of service providers by providing direct credit reports and integrations with Experian
- Saves time by requiring providers to automatically upload legal documents required to take part in the bidding process
- Provides a fully centralised list of service providers, as well as an onboarding process to ensure all existing data is added to the portal
- Full visibility of CQC and Local Authority provider rankings
- Automations which include accepting/rejecting applications based on provider information, automated email referral requests and additional communications
